Education

Shariaty Technical and Vocational University

Jan. 2021 – Mar. 2026 (Expected)

B.Arch (Bachelor of Architecture)

Tehran, Iran

Overall GPA: 18.94/20. **Ranked 4th** among all students in the bachelor's program.

Relevant Coursework: Architectural Design (20/20), Contemporary Architecture (20/20), Landscape Architecture (18.5/20), Climate-Responsive Design (19.5/20), Energy Simulation in Buildings (20/20).

Research Interests

Urban Design • Landscape Architecture • Sustainable Architecture

Environmental Design • Renewable Energy Systems • Building Performance

Research Experience

- Climate Analysis & Responsive Design: Kerman, Iran** *Jul. 2025*
Supervised by Dr. Aman Kasmaei [LinkedIn](#)
(Analyzed the semi-arid climate of Kerman using Climate Consultant to propose passive strategies, such as wind catchers and central courtyards, for optimizing thermal comfort.)
[📄 \[Read Full Article\]](#)
- Historical Documentation: Moghadam Museum** *Jan. 2024*
Supervised by Abed Nasrollahi [LinkedIn](#)
(Conducted a comprehensive architectural survey of the Qajar-era Moghadam Museum, documenting spatial hierarchies and intricate ornamental details through on-site mapping.)
[📄 \[Read Full Article\]](#)
- Urban Analysis: Avenida del Mediterráneo** *Nov. 2024*
Supervised by Ms. Nikou Sereshti [LinkedIn](#)
(Investigated the "Urban Living Room" concept in Benidorm, focusing on pedestrian network integration, accessibility, and the elimination of architectural barriers to enhance social interaction.)
[📄 \[Read Full Article\]](#)
- Restoration Analysis: Dowlat Abad Garden (UNESCO)** *Jun. 2024*
Supervised by Abed Nasrollahi [LinkedIn](#)
(Performed a pathology report and restoration analysis for the World Heritage site Dowlat Abad Garden, examining structural integrity and proposing conservation methods for the historic pavilion.)

Industry Experience

Nia Studio (Architectural design firm specializing in residential and commercial projects)

Supervised by Dr. Nader Roozrokh & Behzad Zeinali

[LinkedIn](#) Dr. Nader Roozrokh | [LinkedIn](#) Behzad Zeinali

CG Artist / Architectural Designer

Jan. 2024 – Sep. 2025

Tehran, Iran

- Prepared construction drawings, sections, and elevations ensuring compliance with building codes.
- Collaborated with multidisciplinary teams to resolve design conflicts across structural and MEP systems.
- Created high-quality 3D renderings using Enscape and Lumion for client presentations.

Chariot Design Studio (Contemporary design studio focusing on innovative architectural solutions)

Supervised by Mohsen Dehghani Sanij

[LinkedIn](#) Mohsen Dehghani Sanij

Architectural Designer

Sep. 2022 – Dec. 2023

Tehran, Iran

- Developed architectural concepts and space planning layouts aligned with client requirements.
- Produced innovative design solutions supported by sketches, diagrams, and 3D models using SketchUp.
- Conducted site visits to assess construction quality and updated documentation based on feedback.

Technical Skills

BIM & 3D Modeling: Revit, Rhino, Grasshopper, SketchUp, AutoCAD

Visualization: V-Ray, Lumion, 3ds Max, Enscape

Simulation & Analysis: Ladybug, Honeybee, Climate Consultant, ECOTECT

Graphics Documentation: Adobe Photoshop, InDesign, Canva, Microsoft Office

Selected Academic Projects

 **Portfolio:** [\[View Full Portfolio PDF\]](#)

Contemporary Arts & Architecture Faculty Design

(Designed a dynamic educational facility fostering creativity through open studios and collaborative spaces, integrating modern aesthetics with functional zoning for diverse artistic disciplines.)

 [\[View Project Sheet\]](#)

Bioclimatic Educational Complex: Primary School

(Developed a child-centric learning environment emphasizing natural ventilation, daylighting, and thermal mass to create a sustainable and stimulating educational atmosphere in a hot-arid climate.)

 [\[View Project Sheet\]](#)

Urban Revitalization Strategy: Valiasr Square

(Proposed a transformative urban design intervention for Tehran's iconic Valiasr Square, prioritizing pedestrian flow, social gathering spaces, and the integration of green infrastructure.)

Certifications & Training

Tehran Institute of Technology (MFT)

 [Website](#) |  [LinkedIn](#)

- **3DS Max and V-Ray** • Advanced 3D Modeling and Photorealistic Rendering *Nov. 2022*
 [\[View Certificate\]](#)
- **ICDL** • International Computer Driving License *Oct. 2021*
 [\[View Certificate\]](#)
- **Sketch Design** • Conceptual Design and Visual Communication *Jun. 2023*
 [\[View Certificate\]](#)

Languages

English: Advanced – IELTS 7.0 (L:7.5, R:7.5, S:7.0, W:6.0)  [\[View Certificate\]](#)

German: Intermediate

Persian: Native
